FROM

K. MATTHAN ESQ., B.A.,
Food Controller and Director of Civil Supplies in Mysore.

TO

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to submit herewith copies of (1) letter No.1920 of the 12th instant from the President, Chikmagalur Municipal Council, to the Deputy Commissioner, Kadur, (2) my letter No.11402 of the 17th instant to the Deputy Commissioner and (3) Kadur Deputy Commissioner's letter No. F.C.212 of the 22nd instant. It will be seen that it is reported that a stock of 301 bags of Burma rice in the Chikmagalur depot worked under the control of the Municipal President contains rice which is so far deteriorated as to be of not likely to sell even at 7 seers a rupee. The President had asked for permission to sell the rice at 7 seers a rupee. The Deputy Commissioner says that the rice may be sold by public auction for any price that it may fetch. I solicit orders of Government on the point. The Deputy Commissioner has not sent an answer to my enquiry as to why the rice was allowed to remain so long and to deteriorate.

2. In this connection I submit for the perusal of Government an extract from D.O. letter No.111 of the 16th instant from the Deputy Commissioner, Shimoga.

There also rice seems to have deteriorated and the Deputy Commissioner wants permission to sell at 6 or 6¼ seers per rupee. It is to be regretted that in some depots the rice is kept so long as to deteriorate and cause serious loss to Government. It appears necessary to draw the special attention of local officers to the fact that their indents for Burma rice should be based on the probable demand with reference to the price of local foodstuffs and of the imported stuff and that in case there is any excess of stock every effort should be made to dispose of it without loss to Government instead of allowing it to deteriorate.

I have the honour to be,

Sir,

Your most obedient servant

Food Controller & Director
of Civil Supplies in Mysore

Letter No. 1920 dated the 12th March 1920 from the President Municipal Council, Chickmagalur to the Deputy Commissioner, Kadur District.

I have the honor to state that the Burma rice in this depot is deteriorating and has begun to smell badly. I have informed you more than once the state of the rice for which I have not received any reply.

As the Government has not sustained any loss in this depot I again suggest that the present stock may be caused to be sold at 7 seers a rupee as a rupee worth of rice contains one seer of dust and refuse.

I request that a reply may be sent as early as possible.

For Food Controller and Director.

Letter No. 11402 dated 17-3-1920 from the Food Controller and Director of Civil Supplies in Mysore to the Deputy Commissioner, Kadur District.

I have the honor to invite reference to letter No. M.C. 291-2/19-20 of 12th instant addressed to you by the President, Municipal Council, Chick Magalur and to state that, if you consider necessary, he may be asked to sell the stock of Burma rice in his depot, referred to in his letter, at 7 seers a rupee. It may also be ascertained why the rice was allowed to remain so long and to deteriorate, and his reply intimated to me with your opinion thereon.

Copy"

25/3

For Food Controller and Director.

.Letter No. F.C. 212 of 19-20 dated 22nd March 1920 rom the Deputy Commissioner, Kadur District to the Food Con oller and Director of Civil Supplies in Mysore.

With reference to your letter No. 11402 dated 7th March 1920, regarding the sale of Burma rice in the Chickmagalur Municipal Depot at 7 seers, a rupee, I have the honor to state that the rice, in the depot being very old, has begun to smell badly. It may take some months to dispose of the 301 bags of rice in the depot, and during this period the rice may deteriorate still more, thus causing a heavy loss to Government. Under these circumstances, I would recommend that the rice may be sold by public auction at any price it may fetch. I have, however, asked the President of the Municipal Council to sell the stock at 7 seers a rupee.

25/3

For Food Controller and Director.

Extract of letter No. 111 of 19-20 dated 16th March 1920 from the Deputy Commissioner, Shimoga District, to the Food Controller and Director of Civil Supplies in Mysore.

I was about to make a reference myself about the deterioration of rice in the depot when I received your letter No. C. 218-19 of the 11th instant. When I inspected the stock this morning I noticed that rice received in the earlier consignments (November) is showing signs of rapid deterioration while the latter stock is yet fairly good. In the circumstances I hope I have your approval to sell the former at reduced prices not lower than six or six and one fourth seers per rupee. You have already approved of this course in regard to similar rice in Shikarpur and other Taluk depots.

K. MATTHAN Esq., B.A.,
Food Controller and Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A
Chief Secretary to the Govt. of Mysore.

Sir

In continuation of my letter No.4276 of the 25th March 1920 and with reference to the discussions at the meeting of Deputy Commissioners and Heads of Departments on the 30th ultimo, I have the honour to state that I have requested the Deputy Commissioners of Kadur and Shimoga to dispose of the deteriorated rice in the manner which in their judgment involves least loss to Government.
I have now received another communication from the Deputy Commissioner of Shimoga, No.C.C.2713 (Rev.)19-20 dated 5th April saying that the rice in the Honnali Ta uk Depot (132 bags) is getting deteriorated and tha he has in anticipation of sanction permitted the Amildar to sell the rice at 5½ seers a rupee.

I have the honour to be,
Sir,
our most obedient servant

Food Controller & Directo

Proceedings of the Government of H.H.
the Maharaja of Mysore

Read:-

Letter No. 4276, dated the 24th March 1920 from the Food Controller in Mysore submitting for orders of Government, copies of letters No F.C. 212 and 111 dated the 22nd and 16th March 1920, respectively, from the Deputy Commissioners of Kadur and Shimoga bringing to the notice of the Food Controller the deterioration in the quality of the Burma rice with Chickmagalur & Shimoga owing to the stock being kept undisposed of for a length of time and requesting sanction for the disposal of the stocks at the depots referred to at the rates recommended by the Deputy Commissioners concerned.

Order No. F 20985-96 9/19/4

The disposal of the old stock of rice which has deteriorated in quality at the rate recommended by the Deputy Commissioners concerned is sanctioned.

2. The special attention of local officer should be drawn to the fact that their indent for Burma rice should be so based as to be in accordance with the probable demand as judged by a reference to the price of local food stuff and of the imported stuff and that in case there is any excess of stock, every effort should be made to dispose of it with as little loss to Government as possible instead of allowing it deteriorate.
